- RETURN POLICY -

In order to keep the cost of doing business low so that we can continue to offer the guaranteed lowest prices, the following return policy has been made effective by Uniforms USA September 1, 1996.

Uniforms USA will not accept for return any product without a return authorization number. This number must be obtained within **15** days of receipt of your product by calling **1-800-441-3401** and speaking to either your salesperson or a customer service representative.

Once you have received your return authorization number, you then have **15** days to return your goods to Uniforms USA. **The return authorization number must be clearly marked on the outside of your box or your package will be refused.**

Uniforms USA will only accept for return any garment which has not been worn, damaged, altered, washed or labeled and is in its original packaging.

There will be a **restocking fee of 15% charged to all returns that are returned for credit after 15 days of receipt of goods.** Exchanges will not be charged this fee. In addition, please note that the customer is responsible for all shipping charges on returned products.

Samples must be returned to Uniforms USA within 90 days of receipt of goods. If you feel that you need to keep samples for a longer period of time, please call and inform Uniforms USA of your situation.

Thank you for doing business with Uniforms USA. We look forward to serving all of your uniform needs.
