A new modern sleek look with comfortability and breathability with tonal moisture wicking mesh fabric. The performance lycra fabric in this collection allows movement while wicking away moisture. The Pisa body allows the sleeve to be rolled up with a snap closure for comfort.

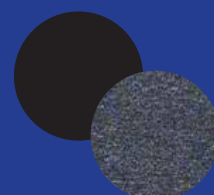

0712-short sleeve version

Sporting short sleeves and a moisture-heather wicking mesh back, the Luca is the staple you need to keep cool in a hot kitchen, keeping cool is key. Not only is the Luca breathable but is easy to snap off and on.
